BOOK SYNOPSIS

Every teen can be a leader. That's because leadership is not just about taking the lead in big ways, but in everyday small things, too. The 21 sessions in this youth leadership curriculum guide teens to explore ethical decision-making, team-building, what it means to be a leader, how to work with others, risk-taking, communication, creative thinking, and more. Choose the sessions that seem best for your class or group, or explore leadership skills through an entire school year. The revised and updated 2nd edition includes the Everyday Leadership Skills & Attitudes (ELSA) inventory, a leadership measurement tool, as well as reproducible handouts, evaluation tools, and exams. Access to digital content includes the reproducible handouts from the book, the student inventory of leadership skills and evaluation tools, and lots of bonus material. Requires use of the student book, *Everyday Leadership*.
