The CLEP* Core Exams test prep assesses the skills tested on 6 official CLEP* exams. Our comprehensive review chapters cover: College Composition, College Composition Modular, Humanities, College Mathematics, Natural Sciences, and Social Sciences & History. The book includes 1 full-length practice test for each subject area. Each exam comes with detailed feedback on every question. We don't just say which answers are right—we explain why the other answer choices are wrong—so you can identify your strengths and weaknesses while building your skills. Ten practice tests are offered on our interactive TestWare CD and give you the added benefits of timed testing, automatic scoring, and diagnostic feedback. We help you zero in on the topics and types of questions that give you trouble now, so you'll succeed when it counts.
