BOOK SYNOPSIS

The story continues... I trusted Colton with every bit of myself. I believed him when he promised he'd never hurt me. But he broke me...and now I watch him give another woman everything I thought would be mine. I never saw this coming. I don't blame Taylor for the decisions she's made, because I know the fault is all mine. I took her for granted. I broke her heart. But she's everything to me. If the guy holding her now thinks for one second that I'll lay down without a fight, he's dead wrong. Because I'm coming after what's mine.
