BOOK SYNOPSIS

Master the GED and get your high school equivalency diploma! REAs GED Test Prep with Practice Tests on CD REAs test experts show you the right way to prepare for this important high school equivalency test. Our GED test prep covers all the subject areas on the exam including in-depth coverage of the GEDs essay test. The comprehensive review covers every possible exam topic: Language Arts/Writing, Language Arts/Reading, Social Studies, Science, and Math. The book includes 3 full-length practice exams based on actual GED test questions. Each practice exam question is fully explained to help you better understand the subject material. This TestWare edition features full-length practice tests on CD in a timed format with instant scoring and diagnostic feedback. Our practice exams on CD give you the closest thing to experiencing a live exam at a testing center. Each computerized test provides actual exam conditions with controlled timing and question order. Your score and test performance are automatically calculated, plus the program provides analysis of your performance with suggestions for further study. Follow up your study with REAs proven test-taking strategies and study schedule that get you ready to master the GED.
