BOOK SYNOPSIS

THE CLASSIC GUIDE USED BY MILLIONS OF PARENTS! MAKE TOILET TRAINING A TOTAL SUCCESS -- IN ONLY A FEW HOURS! From two noted learning specialists, here is the amazing, scientifically proved Azrin-Foxx method that teaches toilet training quickly -- in less than four hours for the average child. And after that rewarding learning period, he or she will willingly use the toilet without assistance or a reminder! Also inside is a wealth of information on related topics, including: • Unexpected benefits -- your child's newfound pride and independence can increase eagerness to feed and dress him- or herself, and improve responsiveness to parental instruction • Pre-training techniques every parent should know • Bed-wetting problems -- and how this method can help end them • Happy children, happy parents -- how mastering toilet training benefits the whole family, increasing parents' personal time and deepening the parent-child connection. With more than 2 million copies sold, TOILET TRAINING IN LESS THAN A DAY is the one guide you'll need to make this significant transition a rewarding and pleasurable experience -- for both you and your toddler!
